

PIPER-SQUARE

Wall Light

Description

The Piper series of outdoor LED Wall Lights features a high quality die-cast aluminium frame powder coated in Textured Black, Dark Grey or White. Featuring a solid tempered clear lens, the Piper series will provide excellent vertical illumination for your home available without lamp or with 3000K warm white or 5000k cool white PAR-30 12W lamps. With the additional benefit of being IP65, this product can be used for both indoor and outdoor applications to provide the perfect look to your contemporary home or commercial application for many years to come, all backed by our Domus Lighting 3 year replacement warranty for peace of mind.
