

FlatJET

High airflow, efficient DC motor and ultra modern design

56 INCH
142 CM

160 RPMs
ON HIGH

MODERN AND SLEEK DESIGN

The super thin profile motor design contrasts impressively with the aerodynamic polymer blades to make a stylish statement in any contemporary decor.

HIGH PERFORMANCE COOLING

Carefully engineered with a high performance motor and aerodynamic polymer blades, the FlatJET provides exceptional airflow.

MOULDED POLYMER BLADES

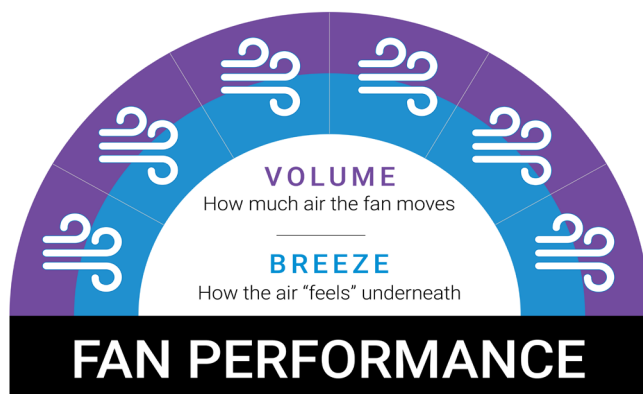

Crafted from polymer (a high-grade plastic), the FlatJET's blades are durable, easy to clean as well as being safer and quieter than metal blades.

DC MOTOR TECHNOLOGY

The high performance DC motor takes energy efficiency to the extreme, using only 42W on high and as little as 4W on low so you stay cool for less.

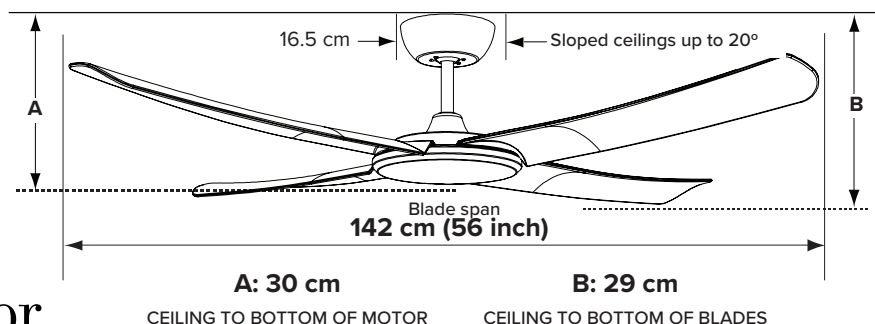

INDOOR & OUTDOOR COOLING

The FlatJET DC ceiling fan is a great choice for both indoor and outdoor cooling. Maintain your decor style from your living room through to your alfresco dining area.

Fan Speed (H:6/M:3/L:1) (Revolutions Per Minute)	160 / 100 / 50 RPM
Energy usage (H:6/M:3/L:1) (Watts)	42 W / 13 W / 4 W
Airflow volume (H:6/M:3/L:1) (Cubic metres per hour)	14,940 / 9,337 / 4,668 CMH
Efficiency (H:6/M:3/L:1) (CMH / W)	356 / 718 / 1,167 CMH / W

The Fan Performance Indicator is a guide to show customer's how much air the fan moves as well as how the airflow "feels" when you stand underneath. This is a guide only. Refer to our website for more information.

FLA56BK

FlatJET DC 56" (142cm) Black motor with Black polymer blades

FLA56MW

FlatJET DC 56" (142cm) Matte White motor with Matte White polymer blades

Remote Control

The FlatJET DC ceiling fan includes a stylish 6 speed remote control as standard. The receiver control module has been rated for 255V usage for increased durability and reliability to better handle real-world Australian grid voltage fluctuations.

- Enjoy 6 speed settings for your ceiling fan
- Forward and reverse function for year-round comfort
- Convenient fan off timer function built in

Fan Speed

1 - Lowest speed
6 - Highest speed

Forward / Reverse

Anti-clockwise or clockwise rotation

Power off

Turns the fan off

Fan Timer Off

1h - Fan turns off after 1 hour
3h - Fan turns off after 3 hours
6h - Fan turns off after 6 hours

Downrods

	90 cm (36")	180 cm (72")
Black	DRT-36BL	DRT-72BL
Matte White	DRT-36MW	DRT-72MW
