

Before first using your new Brilliant Lighting Stiletto II 5W Garden Light it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Keep this document handy for future reference.

FOR YOUR SAFETY:

- If you are in any doubt as to the installation of this product, please consult a qualified electrical contractor before proceeding.
- This product works on 12V extra low voltage.
- Total wattage of lights must not exceed the wattage of the power supply
- Never attempt to touch the light, or replace a globe when the unit is ON. Always allow the fitting and globe to cool to room temperature before attempting to replace.
- Ensure the power is OFF before the installation.

DIY Installation

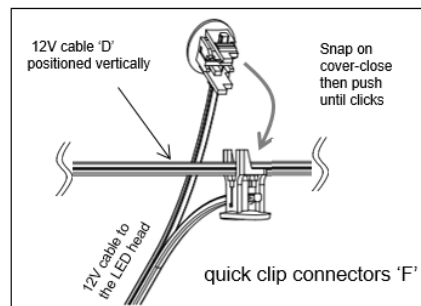

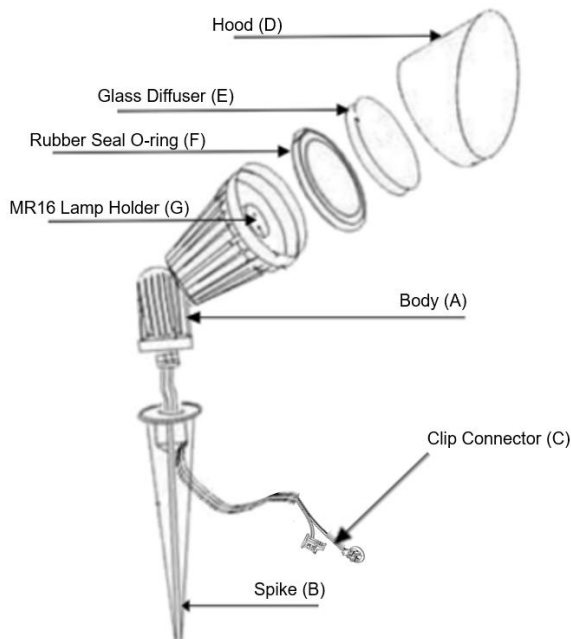

Note: This fitting is suitable for use with an MR16 globe only – Max 5W

Installation

1. ENSURE POWER IS SWITCHED OFF PRIOR TO INSTALLATION.

2. This unit is designed for connection to a suitable 12V AC/DC power supply.
3. The Stiletto II 5W Garden Light is designed for mounting in the ground.
4. Select the location for the Garden Light and determine the cable length that you need and the position of the 12V DC power supply. If installing more than one Garden Light determine all locations prior to installing 12V DC power supply.
5. Attach Body (A) to Spike (B) by threading in clockwise direction.
6. Push the spike light into the ground until your desired height or until the Garden Light stands straight and freely on its own.
7. Locate the Easy Clip connector (C), Insert the cable between the clip connector and push it to close until heard a click sound.
8. Check all the wire connection connect correctly.
9. The fitting can now be switched ON.
10. To release the connector from the cable, press the side and gently pull the connector apart.
10. To replace the globe, unscrew Hood (D) anticlockwise. Gently push up the MR16 globe from MR16 Lamp Holder (G) and replace with new MR16 Globe. Replace Hood (D), make sure the Glass diffuser (E) and Rubber Seal Ring (F) is in Correct position.

STILETTO II 5W GARDEN LIGHT BLK 21624/06 BLACK

Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 years from date of purchase. This warranty is only valid for products installed by a qualified electrical contractor and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, eg. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 2 years of the date of purchase of the product. To make a claim under the warranty, take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
