

BATU.36 SHADE ONLY

Natural cane rattan shade only

A simple, yet elegant pendant shade; perfect as a statement piece in an entryway, dining, or living area. Made of real cane and delivered in a natural finish, the Batu can be paired with a variety of E27 suspensions, allowing for a more individualised look.

A large, spherical pendant lamp made of woven wicker or rattan, hanging from a thin black cord against a white background. The lamp has a textured, cage-like appearance with vertical and horizontal slats. A small, rectangular light fixture is visible inside the top of the sphere.
