

WHIRLWIND 3-IN-1

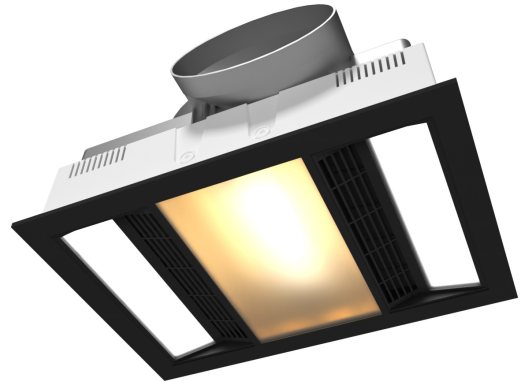

LED Bathroom Heat, Light, Exhaust Fan

The Whirlwind Bathroom 3-in-1 Heat, Light, Exhaust Fan is the top of the range bathroom mate that sports a handsome, minimalist look with great design appeal. Designed to sit almost flush on the ceiling, the Whirlwind is equipped with a powerful 1000W heat lamp that generates instant heat to the surrounding area. It is also capable of extracting up to 500m³/hour of airflow to keep your bathroom fresh and well-ventilated.
