AQUA LIRA 200MM IP65 LED Wall Light

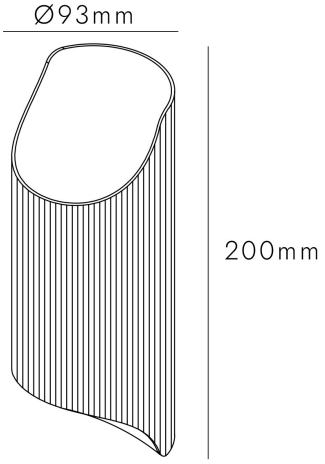

The Aqua Lira LED Wall Light features a refined architectural design, combining the Aqua light base with the distinctive Lira shade. Its vertically ribbed detailing is complemented by smooth, curved accents at the top and bottom, creating an elegant contrast of textures. The up and down LED lighting produces a striking symmetrical beam effect on surrounding walls, adding warmth and visual appeal. Blending contemporary styling with sophisticated detailing, the Aqua Lira is an elegant lighting solution for both indoor and outdoor spaces.
