AQUA SALINA 200MM IP65 LED Wall Light

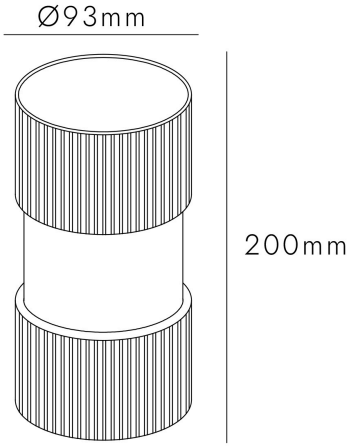

The Aqua Salina LED Wall Light features a sophisticated cylindrical design, combining the Aqua light base with the distinctive Salina shade. Its vertically ribbed detailing is complemented by a smooth central band, creating an elegant contrast of textures and a refined architectural appearance. The up and down LED lighting produces a striking symmetrical beam effect on surrounding walls, adding warmth and ambience. Combining contemporary styling with decorative elegance, the Aqua Salina is a stylish lighting solution for both indoor and outdoor spaces.
