

GALE 3-in-1 Bathroom Heater

Create a fresh and comfortable bathroom environment with the Gale 3-in-1 Bathroom Heater. Powered by a 30W ball bearing motor, the Gale provides reliable airflow to support effective daily ventilation. With an IPX2 rating, it is suitable for use in bathroom environments but must be installed outside the shower zone, ensuring safe and complaint installation. The unit requires a 345 x 190mm ceiling cut-out, making it suitable for both new installations and replacements.
