VISTA TOLEDO 260MM IP65 LED Wall Light

The Vista Toledo LED Wall Light features a sleek, curved design combining the Vista LED base with the decorative Toledo cover. Its distinctive perforated pattern at the top and bottom creates an elegant lighting effect, complemented by soft up and down illumination. Powered by a 10W LED, it features tri-colour technology with selectable 3000K, 4000K and 6000K colour temperatures. Available in one size with Black, White and Gold finishes, it brings a stylish architectural touch to modern indoor and outdoor spaces.
