

VORTEX DC 295MM Exhaust Fan with Optional LED

The Vortex DC Exhaust Fan is designed to keep your bathroom fresh, clear, and comfortable every single day. Built for strong performance and available with an optional integrated LED light, it's engineered to meet the demands of Australian bathrooms. Powered by a 25W DC motor, the Vortex extracts up to 600m³/hr of air, effectively clearing steam, moisture and odours. With its IPX4 rating, it can even safely installed directly above a shower. Supplied with a 240V plug for easy DIY installation.
